SUSTAINABLE LAND USE

Garrison Goal 1.1 Proponent: DPTM

Create and enhance sustainable training and urban areas to ensure military readiness and promote compatible growth of the Sandhills region by 2030.

The Fort Bragg Arbor Board is a sub-committee of Garrison Goal 1.1. The Board mission is to support Land Use through the implementation of native plantings and landscaping for both the Soldier and the community.

Securing the legacy of Fort Bragg for Soldiers, families and the community through the Sustainability Management System.

IDG PRACTICAL PLANTINGS

The Practical Plantings Guide is a list of preferred plants native to our region of North Carolina. The Practical Plantings Guide lists plants by species, form and function:

- Size
- Color
- Density

It provides plant selection guidance:

- Zone
 - Natural, Urban, Historical
- Type
 - Evergreen, Deciduous
- Function
 - · Screen, Shade, Erosion Control
- Light
 - Full Sun, Part Sun, Shade
- Moisture Level
 - Wet, Medium, Dry
- Bloom Color
 - White, Red, Purple, Yellow
- Bloom Season
 - Spring, Summer, Fall, Winter
- Plant Density
 - Massing, Stand Alone
- Maintenance Requirement
 - · Yes, No

The Right Way The Green Way ALL THE WAY

GARRISON GOAL 1
A sustainable community
meeting the needs of the
Soldier today,
tomorrow and forever

NATIVE PLANTINGS

With respect to a particular ecosystem, native plants are generally defined as those plants that occurred in North America before European settlement.

WHY USE NATIVE PLANTS?

When planted in the correct environmental conditions, natives:

- minimize project costs
- require less maintenance
- are resistant to disease
- · are resistant to drought
- restore natural aesthetics
- provide seasonal color
- reduce and prevent pollution
- · improve air quality
- reduce and prevent erosion
- improve wildlife habitat
- support natural biodiversity
- enhance ecosystem services
- preserve open, green space

HOW DO NATIVE PLANTINGS SUPPORT THE MISSION?

- FORSCOM Policy Memorandum 200-97-1 (Implementation of Ecosystem Management)
- DoDI 4715.3 (Environmental Conservation Program)
